

Most of our products are cosmetics, meaning they are designed to beautify, cleanse, or improve the appearance of the skin, hair, or body.

We can say that they moisturize, soften, improve appearance, or leave the skin feeling healthier.

We cannot say that they cure, eliminate, or treat skin diseases or conditions.

Earnings and achievements depend on individual effort, time invested, and actual sales.

We can say: JAFRA offers the possibility of generating additional income or job flexibility.

We cannot say: It guarantees quick money, financial freedom, or a steady income.

Incentives and recognition are a way to reward consultants' effort and perseverance.

We can say: JAFRA offers incentives and prizes for goals achieved.

We can't say: Everyone wins trips or prizes regardless of the results.
