agreed it delivers a LASTING
FEELING OF CLEAN*

8 OF 10

agreed it NEUTRALIZES
ODOR ALL-DAY*

- With Mal-Odor Control Technology
- Formulated without sulfates

MEET OUR CHARCOAL BODY WASH

Lathers up to a rich, sudsy texture to deeply cleanse and help control odor without stripping moisture.

Two refreshing scents:
Fresh Lavender & Cool Cucumber

**Based on an independent consumer study after initial use.*

KEY INGREDIENTS

Charcoal: draws out oil and helps absorb odor

Argan oil: helps soften and moisturize skin

Decyl Glucoside: is a mild, plant-derived cleanser

**How many of you have
struggled finding a
deodorant or
antiperspirant that
meets your specific
needs?**

Chlorohydrate:
An active antiperspirant
ingredient responsible for
managing odor and wetness.

Choosing the Right Daily Antiperspirant

JAFRA Daily Antiperspirant Deodorant Roll-on

provides effective odor and wetness protection, leaving you feeling confident all day long

JAFRA Daily Sensitive Skin Antiperspirant Deodorant Roll-On

formulated to care for and protect delicate, easily irritated skin

JAFRA Daily Hair Minimizing Antiperspirant Deodorant Roll-On

provides reliable odor and wetness protection, but also offers the added benefit of visibly reducing underarm hair

JAFRA Daily Skin Brightening Antiperspirant Deodorant Roll-On works to beautifully brighten underarms while providing reliable protection from odor & wetness.

BEST SELLER!

JAFRA Daily Deodorant

Stick - Aquatique

For men

The ultimate solution for staying fresh throughout the day, this solid deodorant provides reliable odor protection, featuring a fast-drying formula and a captivating masculine scent.

Targets: Body Odor

Oat Kernel Extract has soothing and moisturizing properties to calm and nourish the skin, reducing potential discomfort caused by daily activities.

0% ALUMINUM DEODORANT ROLL-ONS

KEY INGREDIENTS

Aloe Vera

known for its soothing and moisturizing properties making it suitable for underarm skin

Morinda Citrifolia

commonly known as noni, is rich in antioxidants and may help combat odor.

Tapioca Starch

is a natural absorbent that helps to absorb excess moisture keeping the underarms feeling dry and fresh.

WHY YOU WILL LOVE IT

- ♥ Stay fresh for hours*
- ♥ Invisible finish**
- ♥ Skin caring ingredients
- ♥ High-performance odor protection without aluminum
