DEEP NOURISHING

ROYAL COCONUT

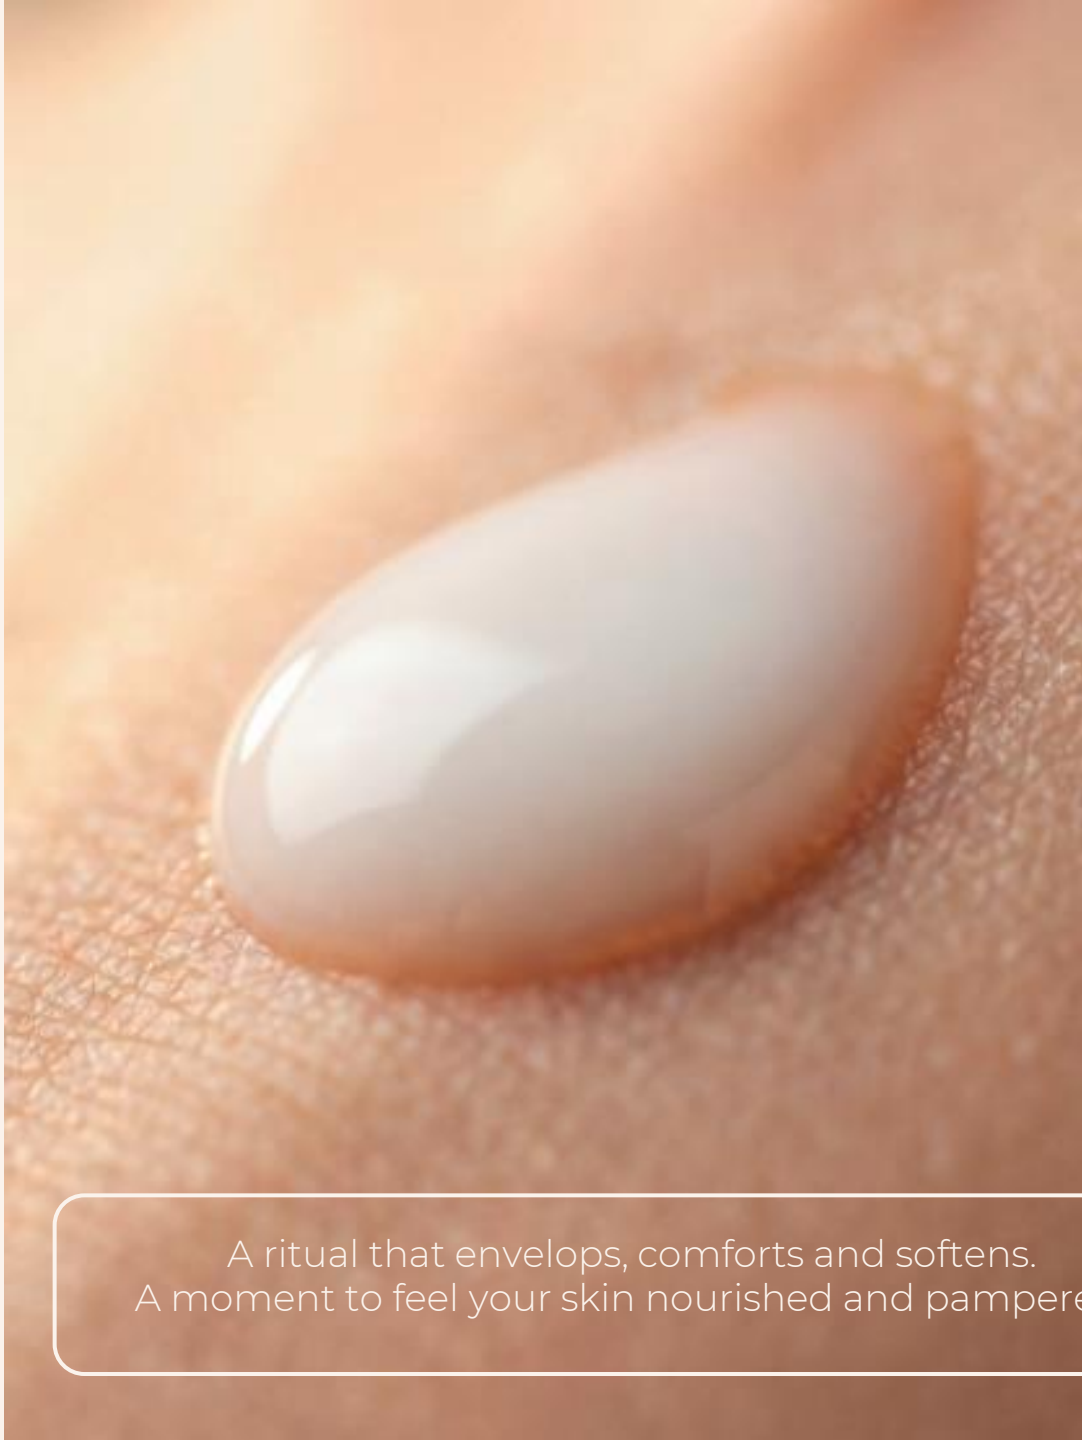

Deep Nourishment That Evolves

Transform your body care routine into a deep nourishment ritual.

Inspired by the **nourishing power of coconut oil**, this ritual envelops the skin in rich, comforting textures that help maintain **hydration and softness** even in the driest areas.

Royal Coconut is more than hydration: it is a warm and enveloping sensorial experience that provides an immediate feeling of **comfort and care**.

From the exfoliation that prepares the skin, to the body butter that delivers an extra boost of nourishment and the hand cream that extends the ritual throughout the day, each step works in harmony to enhance the feeling of comfort on the skin.

A ritual that envelops, comforts and softens.
A moment to feel your skin nourished and pampered.

NEW!

What started as a fan-favorite is now a complete body care ritual. With the addition of a body scrub, rich body butter, and hand cream, you can enjoy deep nourishment from the shower to all-day care. More than body care—it's your daily moment of indulgence

JAFRA

ROYAL

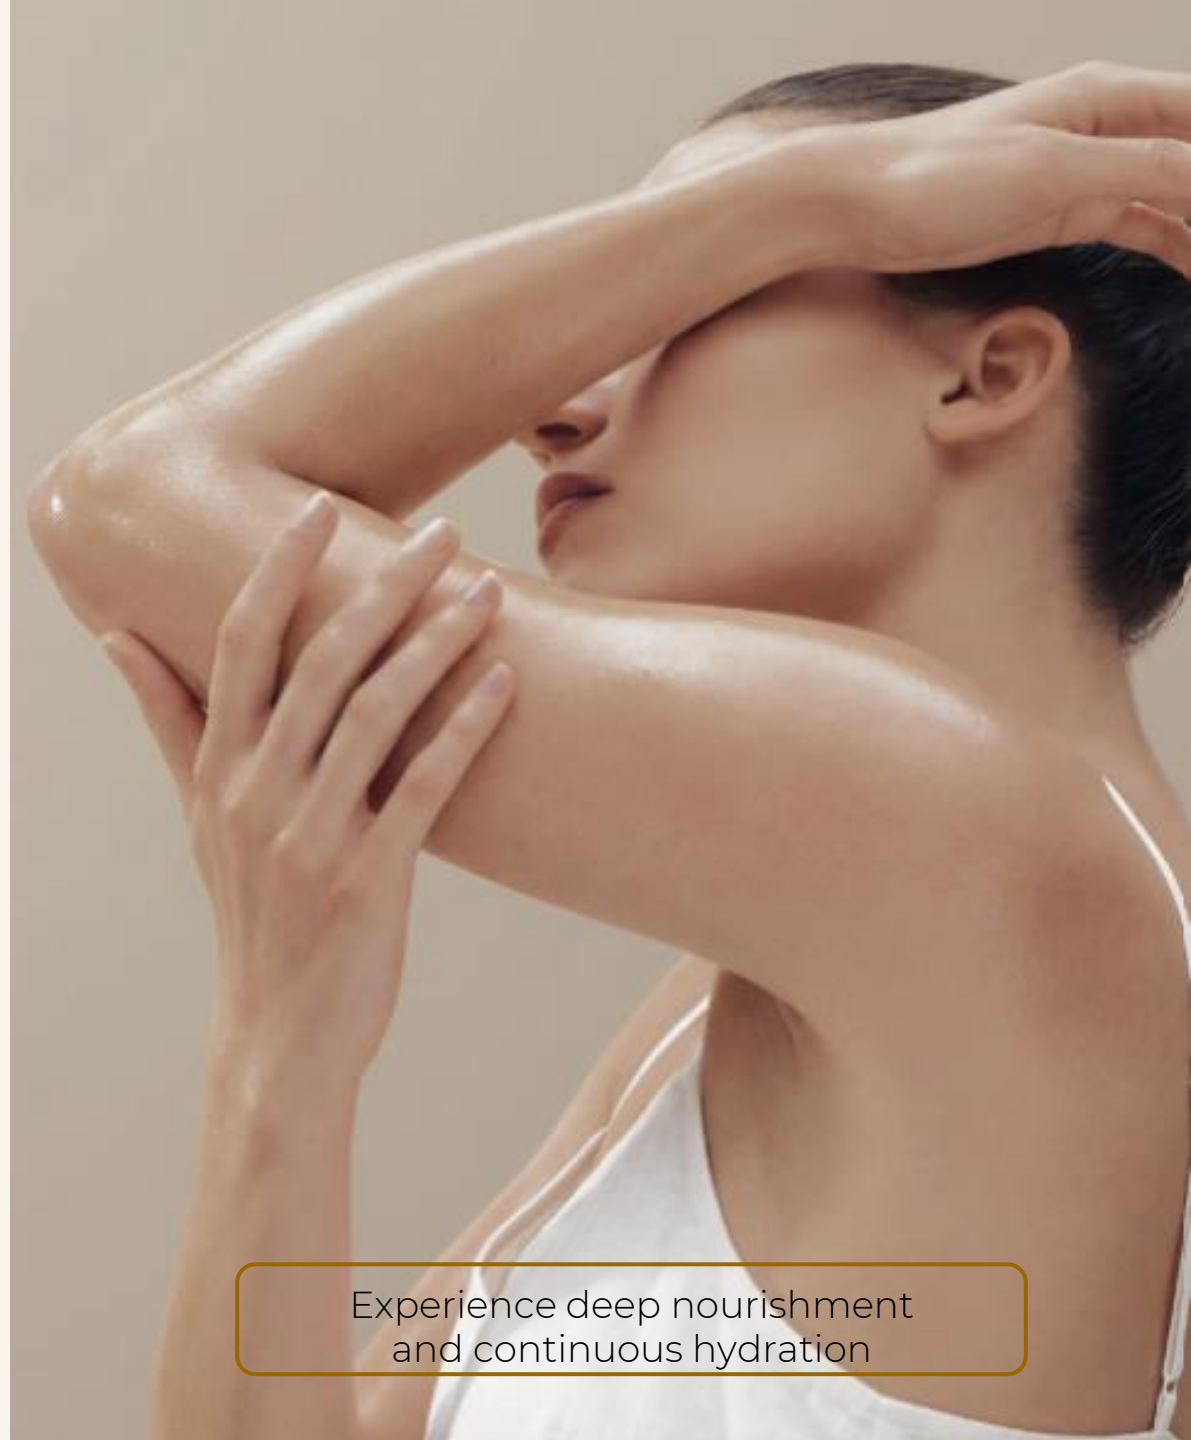

Coconut

Inspired by coconut oil, an ingredient associated with intense hydration and deep nourishment.

Comforting: Its rich and creamy textures create a feeling of warmth and immediate comfort.

Sensorial: Its warm aroma turns the routine into a luxurious and enveloping experience.

Holistic: Royal Coconut not only hydrates; it creates a moment of pause, well-being and personal connection.

Experience deep nourishment
and continuous hydration

1.-Body Scrub: Removes dry and dull skin, leaving it very soft. Prepares the skin for the rest of the ritual.

2.-Body Lotion: Creamy formula that serves as the first layer of hydration in the ritual. Provides smooth skin with a luxurious sensation.

3.-Body Butter: Rich and creamy formula, perfect for skin that needs an extra hydration boost, leaving a radiant glow.

Warm aroma of frosted coconut, bergamot and wood.

4.-Body Oil: Rich textured oil that melts effortlessly into skin to seal in hydration as an additional dryness defense layer.

5.-Hand Cream: Lightweight, fast-absorbing formula that provides continuous hydration. Leaves hands feeling soft.
