Hydrate

Exfoliate

Soften

Introducing the JAFRA SPA Foot Care Trio

Fun Foot Care Facts

👣 Soft, smooth feet start with consistency—not occasional care.

👣 Exfoliating helps remove rough surface buildup so moisturizers can work more effectively.

👣 A simple 3-step foot care routine can help feet feel softer, smoother, and more comfortable every day.

The 3-Step JAFRA SPA Routine

Simple. Convenient. Spa-Inspired.

1. Exfoliate
2. Hydrate
3. Soften

Step 1 – Exfoliate

JAFRA SPA CHARCOAL & PUMICE FOOT POLISH

What it does:

Bufs away dry skin and smooths rough patches to leave your feet feeling soft and invigorated

Key Ingredient:

Pumice helps exfoliate, refresh, & rejuvenate rough patches of skin on your feet.

Step 2 – Hydrate

JAFRA SPA SILKY SMOOTH FOOT BALM

What it does:

Helps relieve rough, dry skin. Absorbs quickly to nourish and beautify your feet from heel to toe

Key Ingredient:

Avocado Oil is full of nutrients that help nourish and moisturize your skin.

Step 3 – Soften

JAFRA SPA DRY HEEL & FOOT RELIEF

What it does:

Delivers intensive overnight relief to dry, cracked skin on your feet and heels.

Key Ingredient:

Lactic Acid is a multifunctional ingredient with exfoliating & hydrating properties.

Who Needs the Foot Care Trio?

Perfect for:

- ✓ Busy moms
- ✓ Active lifestyles
- ✓ People on their feet all day
- ✓ Sandal season
- ✓ Anyone experiencing dry feet or rough heels
