

SKIN BIOLOGY DERMOSCIENCE

Created in the lab with world-class chemists & JAFRA's expertise.

JAFRA BIOLAB

It is more than a product line—
it is a commitment to real, visible
skin care results rooted in skin
biology and microbiome science.

WHAT MAKES JAFRA BIOLAB UNIQUE?

- ✓ Visible results, powered by science
- ✓ Prebiotic formulas for microbiome support
- ✓ Ingredient transparency
- ✓ Tailored routines for every need

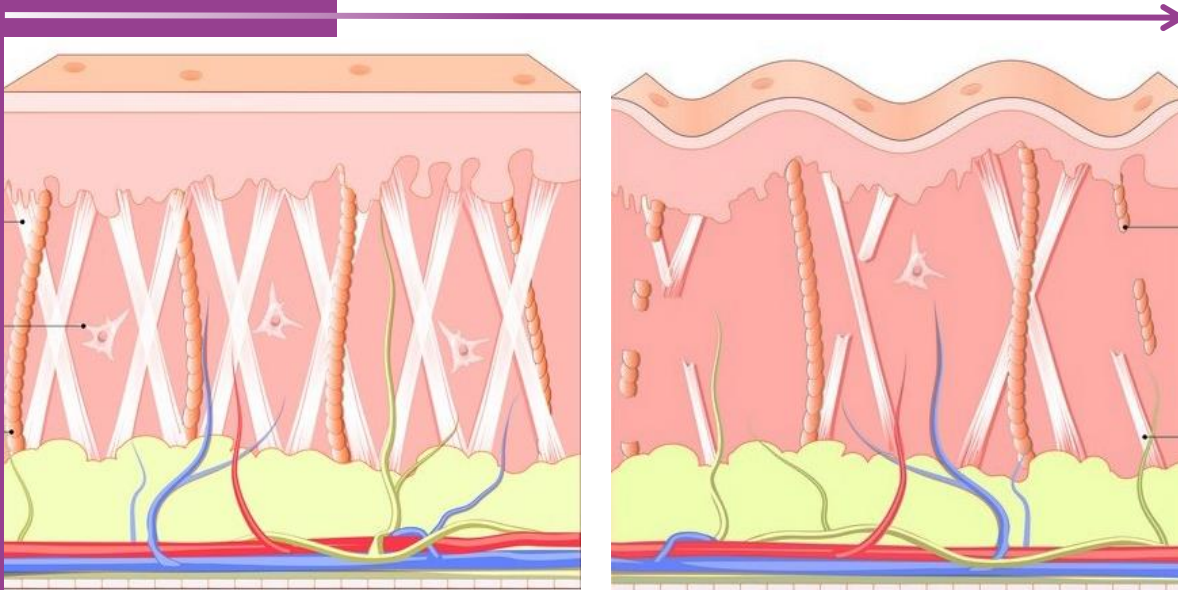

Introducing JAFRA BioLab Meno Balance Complex

Available September 1, 2026

During menopause, the decrease in estrogen and cellular stress **accelerate the effects of aging on the skin**

MENOPAUSE

- ↓ Collagen and elastin production
- ↓ Firmness, elasticity and skin density
- ↑ Appearance of lines and wrinkles
- ↓ Cell regeneration and renewal capacity

MENO BALANCE COMPLEX

Exclusive ingredient technology
that helps to minimize the signs
of elasticity loss and the look of fatigued skin.

WHO IS THE BIOLAB MENO BALANCE COMPLEX CUSTOMER?

Look for customers noticing:

- Changes in their skin commonly associated with perimenopause and menopause
- Loss of firmness & elasticity
- Tired or fatigued-looking skin
- Loss of density or a less plump appearance

86%
noticed

Visibly firmer skin with a greater appearance of elasticity after 28 days.*

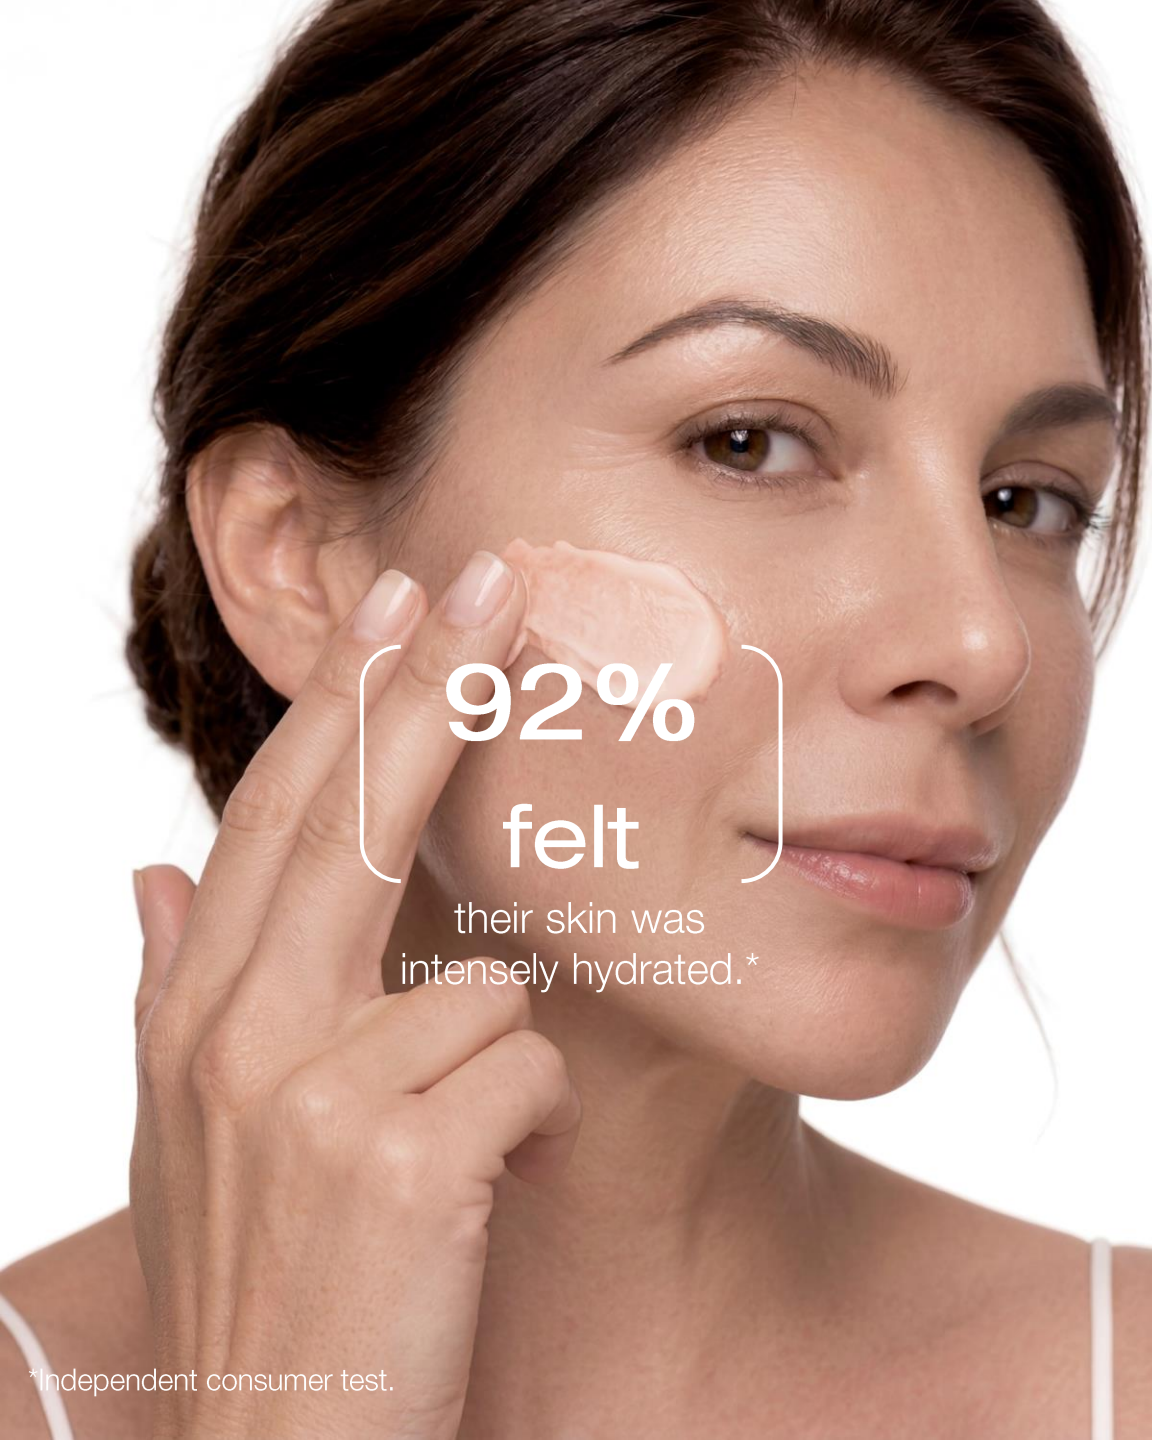

Redensifying Facial Serum

A multitasking ally against the visible changes caused by skin aging

Reduces the appearance of loss of elasticity and fatigue

Apply 2–3 drops to clean, dry skin. Press onto the skin in an upward motion until fully absorbed. Use day & night

92%
felt

their skin was
intensely hydrated.*

Firming Hydrating Facial Cream

Ultra lightweight
smooth texture

Reduces the appearance
of elasticity loss and
visible fatigue

Apply a small amount using gentle, upward motions
until fully absorbed. Avoid the eye area. Use day & night.

**Reduces
up to 2° C**
of skin surface
temperature*

Instant Cooling Mist

Ultra fine hydration

Provides instant relief for
sensitive and flushed skin

Cooling effect that last
up to 30 minutes

Mist the face evenly, holding the bottle 10-12 inches away.
Avoid eyes and mouth. Reapply as needed.

*Independent consumer test.

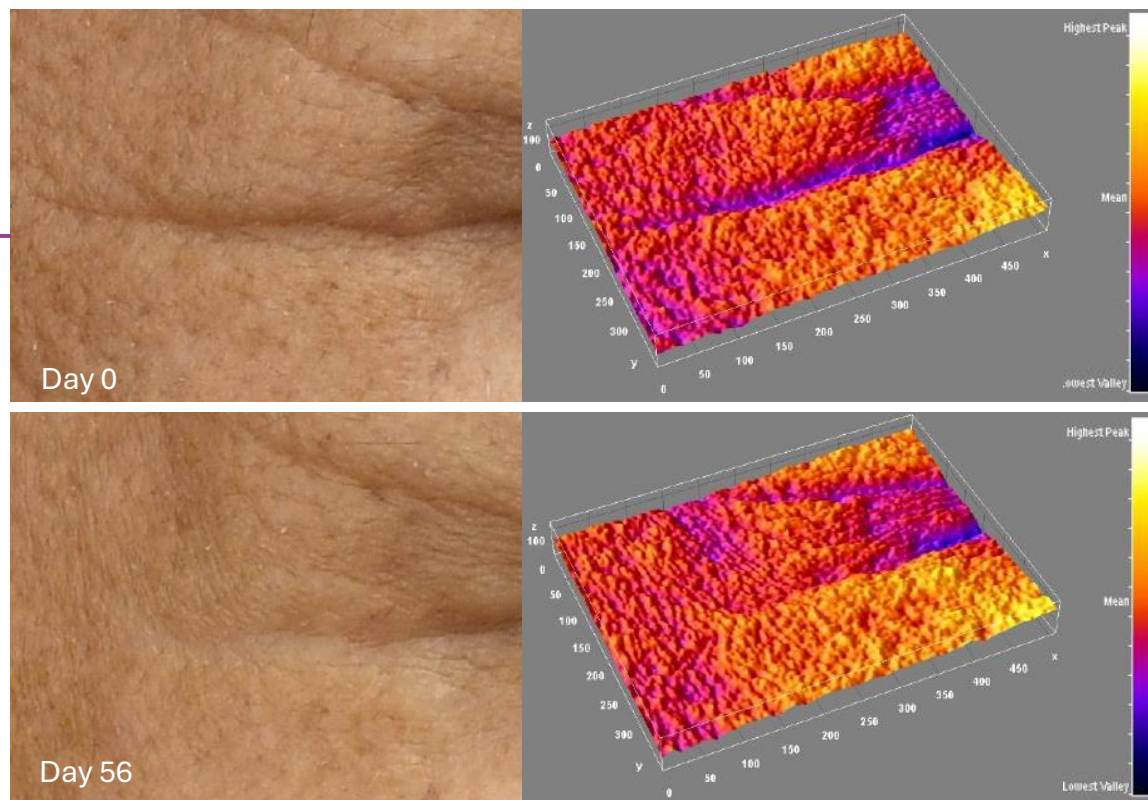

Instant Cooling Mist

- Formula with a cooling effect that lasts up to 30 minutes
- With an ingredient that reduces skin surface temperature by up to 2°C during the first 5 minutes.
- Ultra-fine, lightweight soft mist that can be used before and after makeup application.
