Meet the NEW Dark Spot Duo

JAFRA
BIOLAB
SKIN BIOLOGY DERMOSCIENCE

What Causes Dark Spots?

WHAT SETS JAFRA BIOLAB APART?

- JAFRA's first brand based on Skin Biology Dermoscience
- High-performance ingredients at effective concentration levels
- Prebiotics in every formula
- Color-coded by concern for easy navigation

JAFRA BIOLAB respects your skin. We believe in clinical testing claims, simple routines, and visible results.

NEW! Spot Correction Collection

Formulated with prebiotics and 10.5% Niacinamide + DeMelanix, this collection delivers a dual-action approach: supporting the skin's microbiome while visibly reducing dark spots.

Clinically tested formulas for dark spots. Fade the look of discoloration from sun damage, acne breakouts, and aging for a bright, even-toned look.

DeMELANIX

Benefit: A high-performance cosmetic ingredient that helps brighten and even out the skin tone for a holistic luminous effect.

10.5% NIACINAMIDE

Benefit: This potent ingredient reduces the look of dark spots and discoloration while hydrating the skin.

DID YOU KNOW...

100% showed a reduction in the intensity
of dark spots

Based on a clinical test on day 14, after using
JAFRA BioLab Dark Spot Corrector Facial
Serum and Sunscreen.

NEW! DARK SPOT CORRECTOR FACIAL SERUM

Product Benefit: Reduces the appearance of dark spots and discoloration. Hydrates for 12 hours

Key Ingredients:

- **Niacinamide** - Visibly improves uneven tone, reduces the appearance of redness, and supports the skin's moisture barrier.
- **DeMELANIX** – Brightens and evens out skin tone.
- **Prebiotics:** Supports the skin microbiome to promote the appearance of younger and healthy-looking skin

To Use: Apply 2-3 drops to clean face and neck. Use as part of your morning and evening routine.

NEW! DARK SPOT CORRECTOR FACIAL CREAM BROAD SPECTRUM SPF 30 SUNSCREEN

Product Benefit: Reduces the appearance of dark spots and discoloration. Hydrates for 12 hours. Helps protect against signs of sun damage

Key Ingredients:

- **Niacinamide** - Visibly improves uneven tone, reduces the appearance of redness, and supports the skin's moisture barrier.
- **DeMELANIX** – Brightens and evens out skin tone.
- **Prebiotics:** Supports the skin microbiome to promote the appearance of younger and healthy-looking skin

To Use: Shake before use. Apply liberally and evenly 15 minutes before sun exposure as part of your morning routine.

THANK YOU!
