Discover youthful-looking radiance
from head to toe.

ROYAL JELLY BODY MILK

OUR STORY

Our skin care experts, driven by a passion for excellence, have found a way to extend the benefits into body care with JAFRA ROYAL JELLY BODY MILK, delivering immediate hydration* that transforms your body care into a daily luxury experience.

*After full absorption of the product.

TRUE SKINCARE DOESN'T END AT THE FACE

Hydrating is daily care that deserves to extend to every part of your body, with the same effectiveness and power as your facial routine.

Inspired by our iconic line, **ROYAL JELLY BODY MILK** combines a **lightweight formula** with a **unique, warm and enveloping scent**, designed especially for the body.

FRAGRANCE

"Enchanting notes of honey infusion, creamy jasmine and musk transport you to a world of ***ELEGANCE AND VITALITY.***"

- Christine Spilka - PERFUMIST

WHY YOU'LL LOVE IT

Featherlight Hydration — Its fluid texture absorbs instantly, leaving no residue—just silky, glowing skin.

Royal Jelly Power — Infused with our iconic Royal Jelly to help renew and revitalize skin.

Everyday Indulgence — Feels like luxury, perfect for daily use—morning or night.

Designed for Effortless Elegance —offers the nourishment of a cream with a lightweight feel.

Skin-Loving Glow — Leaves your skin soft, smooth, and luminous from the very first use.

Double the Luxury with Layers of Hydration

Royal Jelly Body Milk and Royal Jelly Body Complex are the perfect pair for radiant, nourished skin.

Layer them together to seal in moisture, enhance radiance, and elevate your daily ritual to pure luxury.

**Royal Jelly Body Complex
lavishes your skin with
luxurious, long-lasting
hydration**

**Royal Jelly Body Milk
delivers instant,
lightweight hydration**

Try it, share it,
and let your clients
experience this touch
of modern luxury.
